Welcome

Located in a listed building directly overlooking Ramsgate's Royal Harbour Marina, the husband and wife team of Marc & Anastasiya Campos offer a contemporary take on classic European cuisine. Classic dishes with a fine sprinkling of fusion flair.

With our focus on local, seasonal and sustainable ingredients which includes having our very own Ramsgate fisherman and produce from some of our best fellow local businesses.

Marc-Pierre's Kitchen is a place where the food on your plate isn't just fresh & local but really is home-made right here on the premises where you are eating it.

We don't believe in making things too fussy but 100% believe in top class food and service and a really enjoyable ambiance.
